The notoriety did me good, and before long, a new magazine that knew what I did last summer was willing to shell out some pretty pennies for me to flash some cooze in a photo studio.

Still, shutterbugs can rub me the wrong way faster than a guy with a loose tongue who doesn't know what its real purpose is. I told Mr. Snapshot that if he did me wrong, I'd hit him so hard they'd stop him in Texas for speeding. Sometimes you just gotta lay down the law."

TWISTED SISTERS CONSPIRE TO AN ORGY OF CRIME!

This time, Rosa took a little more persuading to cross the line. I dragged her to a seedy hotel off the Strip and tied her up tighter than a roomful of pussy at First Communion.

that shelters its darkest denizens. But as Angel found out, the ruby-red light of a police car can punch through that darkness like a Teflon-tipped .38 slug ripping through a punk's soft belly.

OUT of the SLAMMER

Just when you thought you've seen everything porno has to offer, here comes Larry Flynt with his new video series, JAIL BABES—a skin flick that breaks the rules by featuring women who have *really* broken the rules.

Always real and always hard-core, you know these girls. You've seen them straddling Harleys, shooting pool in the neighborhood dive or hanging out and toking smokes on the street corner.

Maybe you can't take them home to mom, but you know you want to go wild with them in your bedroom. These tough girls have done some hard crimes. But they've done their time and now they're ready to continue their rehabilitation by letting us exploit them.

In each volume, the women relate their sordid stories of crime, their lives behind bars and their passions in prison.

Then, of course, comes the sex, which is as real as the interviews. No bullshit setups. We give you the stripped-down truth—nothing held back and nothing fake. And when you require a woman to take a facial cum-shot from Special Agent Ron Jeremy, you have to ask yourself: Sweet justice, or cruel and unusual punishment?

In the first video installment of JAIL BABES, you'll find Chili, who did time for selling narcotics. She treats you to the truth about sex behind bars (with guards and inmates), along with all those fights that break out. Hear it from someone who was there—and participated.

And we can't forget about Kattina, who was in for burglary and prostitution. She is a professional submissive and loves to treat herself to anal gang-bangs. With all that practice it made it that much easier for Jack Hammer to shove his hand up her ass for us.

Ron Jeremy made his debut JAIL BABES' appearance to plow into Shadow, a 50-year-old

"IT DOESN'T MATTER THAT I DIDN'T PLANT

A SLUG IN SOMEBODY'S CHEST OR HEIST A BOXFUL OF HOT GOODS—WHEN YOU'RE IN JAIL, YOU'RE IN JAIL. IT STILL SMELLS AS BAD. AND WHEN YOU HAVE TO PEE, YOU STILL HAVE TO DO IT IN FRONT OF ALL YOUR OTHER JAIL-BOUND SISTERS—

EVEN IF YOU'RE ONLY IN FOR DRUNK DRIVING LIKE I WAS. WHEN THE LONG ARM OF THE LAW STRETCHED OUT TO PICK ME UP, I WAS SO BLIND DRUNK THAT I WAS WEAVING IN AND OUT OF SUNSET BOULEVARD TRAFFIC LIKE JAKE LAMOTTA DODGING BLOWS BACK WHEN HE GAVE A FUCK.
